

MPVM GANGA GURUKULAM
Holiday Homework : CLASS XII
Informatics Practices

Make a presentation on the topic – “Computer Network”.

Cover following topics:

1. Types of Networks
2. Network Topologies
 - a) P2P Link
 - b) Different Topologies (Star, Bus, Ring, Tree, Mesh, Fully connected)
 - c) Factors to consider for topology selection.
3. Different network Devices
(MODEM, Hub, Switch, Repeater, Bridge, Router, Gateway)

Note: Design one slide for each topic and explain in brief. Submit the printout of this.
